Bachelor of Information Systems 2025 – 2027
UNSW Business School, Sydney NSW

Higher School Certificate (HSC) 2024
Trinity Grammar School, Summer Hill NSW

- Awards: Oratory Speaking Winner (2024); HSC English Extension 2 Prize (2024)

CERTIFICATIONS & TECHNICAL SKILLS

Currently pursuing (in progress, targeted 2026):

- CompTIA Security+ (SY0-701)
- IBM Cybersecurity Analyst Professional Certificate
- Google Foundations of Cybersecurity
- University of Maryland – Cybersecurity for Everyone
- Scrum Master & Agile Scrum Training (Code Red)

Technical: Network security principles | IT infrastructure & hardware | Technical troubleshooting | POS systems | Microsoft Excel (analysis & reporting)

Methodology / Other: Agile | Scrum | Inventory management | Team collaboration | Communication | Customer service

EXPERIENCE

Co-Manager & IT Operations Nov 2024 – Present
Swarovski | Drummoyne, NSW

- Set up IT infrastructure and led technology onboarding for new staff, configuring hardware and software for daily business operations.
- Ran Excel-based payroll, stock procurement, and sales-trend analysis to support operational and performance decisions.
- Tracked productivity and sales-performance metrics, applying data analysis to a live commercial environment.

Pharmacy Assistant Jan 2025 – Present
Chemist Warehouse | Birkenhead Point, NSW

- Diagnosed and resolved POS system faults during high-volume trading, minimising checkout downtime.
- Managed pharmaceutical inventory, stock rotation, and logistics across multiple departments with strict accuracy and compliance.
- Maintained and repaired in-store technology and equipment, reducing reliance on external support.

Associate Engineer (Work Experience) Jan 2024 – Feb 2024
Ethan Group | Sydney, NSW

- Performed computer upgrades, system onboarding, and hardware configuration alongside the IT engineering team.
- Collaborated with engineers on device troubleshooting and systems management in a professional IT environment.
